

# INVITATION TO JOIN THE OIRA ADVISORY COUNCIL

## Important Note before reading this invitation

The role of an OIRA Advisory Council Member is **completely confidential, private, and non-binding**.  
**All your data will remain strictly confidential and you can withdraw at any time.**

Your name will never be published or disclosed without your explicit consent.

The Council is not about regular meetings or obligations – it is about creating a trusted circle of diverse profiles who can be consulted when relevant. This may mean:

- providing a perspective on a specific territory, technology, or environmental challenge,
- offering feedback by email, or a short exchange once or twice a year,
- receiving an annual report on OIRA's progress and programs.

**The aim is to bring together credible and complementary expertise so that the Blue Mobility Programs we launch are as effective, just, and beneficial as possible.**

---

Dear Colleague,

We are pleased to invite you to join the Advisory Council of OIRA – Ocean Islands Regeneration Alliance.

OIRA is an international non-profit alliance dedicated to regenerating ocean ecosystems and strengthening the resilience of island communities through Blue Mobility Programs: clean maritime pathways, fisheries transition, community-led governance, and data-driven conservation.

### The Role of Advisory Council Members

As an Advisory Council Member, your role will be:

- To provide strategic orientation and share your expertise when relevant.
- To validate approaches and guide OIRA's direction with occasional input.
- To connect OIRA with networks, opportunities, or perspectives where you see alignment.

This role is entirely **flexible and non-binding**. It does not imply operational or legal obligations, but your presence in the Advisory Council provides credibility, knowledge, and guidance as we launch Blue Mobility Programs in island territories.

### Why Your Participation Matters

Island communities and fragile marine ecosystems are at the frontline of climate change. By joining the Advisory Council, you will be part of a pioneering alliance that seeks to transform maritime mobility into a driver of regeneration, resilience, and equity.

### Next Steps

**If you are interested in joining, simply reply to this letter or fill out the short form at [www.oira-alliance.org](http://www.oira-alliance.org) (it takes just one minute).**

We will then include your name in the confidential internal list of OIRA Advisory Council Members. This list will remain private and will only be shared in institutional documents or partnership materials with your explicit consent.

We would be honored to count on your expertise and vision in this journey.

With gratitude and anticipation,

Tanguy LOMBA  
Founder & Director  
Ocean Islands Regeneration Alliance (OIRA)
